STAFF RESPONSE

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its response states:

1. In its Order Directing Filing, the Commission directs the Staff to state whether it recommends the waiver of 4 CSR 240-3.545 (2), or whether it recommends only the standard waivers listed in the Notice of Applications.

2. On December 28, 2005, IPC Network Services, Inc., (IPC) amended its application to request, and its proposed tariff to reflect, a waiver of 4 CSR 240-3.545(2). This Commission regulation states, "Every telecommunications company shall maintain for public inspection, and make available at its principal operating office or on its website, a copy of all current tariffs."

3. On December 30, 2005, IPC amended both its application and its proposed tariff to delete the request for a waiver of 4 CSR 240-3.545(2).

4. The Staff recommends that the Commission approve the standard waivers as listed in the Notice of Applications, and approve IPC's proposed tariff which, as amended, lists only the standard waivers.

Respectfully submitted,
